

The Eighth Annual Digital Identity Forum
sponsored by CoreStreet and CPP
supported by ACI Worldwide
The Clink, London, 20th and 21st November 2007

	Question
1	Moore's Law, Metcalfe's Law, Reed's Law. First names please?
2	When did the Identity & Passport Service become an Executive Agency of the home office.
3	Why is Dr. James Barry, who retired as Her Majesty's Inspector of Army Hospitals in 1864, primarily remembered?
4	Who was the British Home Secretary when the Identity Card scheme was abolished in 1952?
5	Shibboleth is an authentication scheme for Internet2, but what actually was a "shibboleth" in Biblical Hebrew.
6	Diffie-Hellman key exchange. PKCS?
7	UK banks are starting to issue tokens for two-factor authentication. What is Barclays' consumer token called?
8	Where are Antonica, Faydwer, Odus, Velious and Taelosia?
9	What is the connection between a daughter of Queen Nefertiti, the mother of Tutankhamun, and former Manchester City player Gary Megson?
10	Who said "we all agree your theory is crazy, but is it crazy enough?"
11	"A man finds his identity by identifying" is a quote from Robert Terwilliger. By coincidence, there is a character of that name in one of our all-time favourite animated series. But by what better name do we know him?
12	What international body agreed the now familiar book format for passports in 1920?
13	$e^{i\pi} + 1 = 0$ is one of the most famous, and most beautiful, equations in mathematics. What is its name?
14	The word "identity" stems from the Latin "idem". What does "idem" mean?
15	Who wrote Local Government Transformed (1996); Information Age Government (1998) and New Strategies for Full Employment (2001).
16	How many MyKad ID cards are lost in Malaysia every day? Nearest answer wins.
